## Explanation of Billing Terms

- **Billing Activity** - A typical chat session involves sending and receiving text messages. You are being billed for the messages that were sent and received by your lawyer.
- **Breakdown** - In this chat session, your lawyer sent messages to you that contained 8432 characters, and received messages from you that contained 315 words.
- **Session Time**: In this chat session, it took 01:10:16 (hr:min:sec) to compose and send text messages to you, and 00:01:30 (hr:min:sec) to read your messages.
- **Average Speed** - Your lawyer can text an average of 120 characters per minute (CPM), and can read an average of 210 words per minute (WPM).
- **Hourly Rate**: Your lawyer has an hourly rate of \$400. This amount was used to calculate your Session Bill by multiplying it with the total Session Time.
- **Session Bill**: Your lawyer has charged you a fee of \$478.4 for this chat session.
